

## DID U KNOW?

VOLUME 1, ISSUE 1

...that information technology services is critical to our daily “life experiences”. Whether it is conducting business over the internet, exchanging business ideas via email, paying bills online, setting up a doctor’s appointment, checking out at the grocery store, answering your cellular phone, or helping your kid’s with homework on the internet, all involve Information Technology indirectly and in most cases directly.

**U and I Solutions, LLC**, is an Information Technology Solutions company that was founded to empower U (you) to live life to its fullest potential using technology. Whether you are an individual or a business, your life can be enhanced with technological resources. We provide the IT solutions to accomplish this goal. With this in mind, U and I Solutions, LLC will do the research and provide you with IT information that is beneficial to U (you).

*We strive to make your business, whether great or small, attain your goals*
